

Starting at **\$1825** for a 9'x12' shed

Our sheds are custom-built with 100% Pine lumber exterior. Pine has been used on barns for centuries. Our boards are cut on site and assembled at our facility or can be assembled at your site.

All our sheds come standard with steel roofs in your choice of colour.

Other options include sliding windows with screens, porches, ramps, custom layouts, decorative shutters, flower boxes and various stain colours.

AFFORDABLE SHEDS

**Quality Workmanship at an
Affordable Price**

**Come see us at
791 Slab Street
just east of Hwy 62
at Ivanhoe.**

Open Monday to Saturday
Closed Sunday

Sleeping cabin

Shed with covered ATV storage

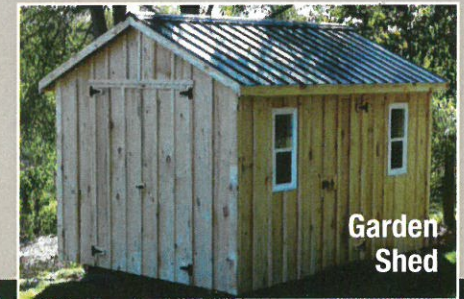

Barn style shed

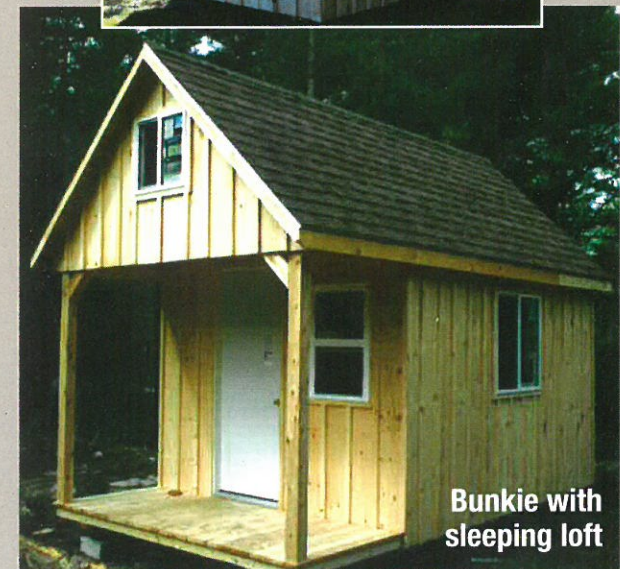

Sheds have a plywood floor and are built on skids below the floor joists; designed to keep your shed off the ground to prevent it from rotting, allowing your shed to last.

They can be placed on a few patio stones; a concrete pad is NOT required.

Garden Shed

ANIMAL HOUSING - For livestock, pets, horse shelters, chicken coops

Bunkie with sleeping loft
